

## Külgetõmbejõuga diivan.

Dakota on justkui gravitatsioonist haaratud. Ta hoiab väärικalt maadlīgi ja lausa kutsub istuma. Minimalistlikku disaini täiendavad trendikad French seam õmblused ja kui soovid, siis ka eriline ümara kujuga tumbamoodul. Kinnitatud istmepadjad ei vaja kloppimist ega kohendamist. **Hea on olla**, kui diivan on istujate jaoks alati valmis.
