

## Loft'iliku hõngu saadik.

Tööstuslik ilme on ühtaegu nii moodne kui ka ajatu. Fitz õhkab loft'ilikkust iga ruutsentimeetriga. Tema massiivsust tasakaalustavad French seam õmblused ja ülipeenikesed kõrged jalad, mis hõlbustavad koristamist. Istumise teevad tõeliselt mugavaks memory foam sisuga istmepadjad. Nii **hea on olla**, et ei tahagi enam püsti tõusta!
