

Disain, mis lausa kutsub mängima.

Jõulise disainiga diivan selle kõige paremas tähenduses. Selene hoiab alati vormi, ilma et selle patju sättima või kloppima peaks. Valikus on mitmeid mooduleid, mida omavahel kombineerida. Pane kokku klassikalise kujuga diivan või leia hoopis mängulisem lahendus. **Hea on olla** igal juhul.
